

	MONDAY, July 1, 2024		TUESDAY, July 2, 2024			WEDNESDAY, July 3, 2024			THURSDAY, July 4, 2024			FRIDAY, July 5, 2024										
08:30	Registration		Registration			Registration																
09:00						KEYNOTE 5: Jean Bousquet et al. "Embedding MASK-air (digital health) and SILAM (aerobiology modelling) for an Optimal Control of Allergy to Pollen "			KEYNOTE 6: Paloma Carinanos "Healthy and Low Allergenicity Green Spaces for the Cities of the Future"			KEYNOTE 7:Ioanna Pyrri "Aeromycology: Progress and Prospects"										
09:30						KEYNOTE 4: Bernard Clot "Automatic and Real-time, the Second (R)evolution in Arobiology Monitoring"			Group Photo				Helmut Hund GmbH "Use of Artificial Intelligenz in Pollen Detection"									
10:00						Swisens Presentation	Health Impacts	Modelling	EAACI Session		New Detection and Analysis Methods	Agriculture and Forestry	Modelling	Near Real-Time Monitoring/Application								
10:30																						
11:00	IAA   IRS   EAS Committee Meetings		Coffee Break   Exhibition   Posters																			
11:30			Basic Aerobiology	Near Real-Time Monitoring	Climate change	Health Impacts	Modelling	Fungal Spores		New Detection and Analysis Methods	Urban Green Spaces	Indoor Bioaerosols	SYLVA Presentation Meeting									
12:00																						
12:30																						
13:00	Opening Session		Lunch																			
13:30	KEYNOTE 1: C. Galán Soldevilla "World history of aerobiology"																					
14:00	KEYNOTE 2: Paul Beggs "Aerobiology in 2050: What We Know and a Vision for Filling in the Gaps "		Exhibition   Posters																			
14:30	KEYNOTE 3:Laurence Rouil "Pollen Monitoring and Forecasting within the Copernicus Atmosphere Monitoring Service"																					
15:00	Coffee Break		Swisens Workshop			Health Impacts	Modelling	Fungal Spores		New Detection and Analysis Methods	Ragweed	Airborne Microorganisms	Awards. Closing Session									
15:30														ADOPT Bussines Meeting								
16:00	Environmental Pollution	Near Real-Time Monitoring											Coffee Break   Exhibition   Posters									
16:30					Basic Aerobiology	Molecular Studies on Bioaerosols	Climate change/Phenology	EAS General Assembly			Autopollen Open Round table	IRS General Assembly	EO4EU - Earth observations for Personal Allergy Symptom Forecasting	IAA   IRS   EAS Committee Meetings								
17:00																						
17:30			IAA General Assembly			Guided Vilnius Sightseeing Tour			Meeting Dinner													
18:00	Welcome Reception																					
18:30																						
19:00																						
19:30																						
20:00																						
20:30
